I agree, and would add EPA, as suggested in my previous message.

Just one other grammar thing – I think ‘between’ technically involves only two parties. ‘Among’ usually covers more than two...

Hi Folks,

I just got off the phone with Tony Davis. He’s looking for a statement but I don’t think that we will be able to get HQ approval before COB, but I think that’s OK. Here is the draft final.

On June 6, 2017, the U.S. Forest Service signed its Record of Decision (ROD) to issue a mining permit for the proposed Rosemont Copper Mine near Tucson in Pima County, Arizona. EPA has received a copy of the ROD and will review it. EPA’s analysis of the project is documented in comments submitted on the Administrative Draft EIS in 2011, the public Draft EIS in 2012, and as expressed through the interagency coordination process between among the U.S. Forest Service, U.S. Corps of Engineers, Bureau of Land Management, and the U.S. Fish and Wildlife Service from 2014 to 2016 convened by the Council on Environmental Quality.

Edits from Alexis that need attention.

On June 6, 2017, the U.S. Forest Service signed its Record of Decision (ROD) to issue a mining permit for the proposed Rosemont Copper Mine near Tucson in Pima County, Arizona. EPA has received a copy of the ROD and will review it. (delete: EPA does not plan to issue any comments on it, as the agency does not typically comment on RODs). EPA's analysis of the project is documented in comments submitted on the Administrative Draft EIS in 2011, the public Draft EIS in 2012, and as expressed through the interagency coordination process* from 2014 to 2016 led by (facilitated by)[or "convened by"] the Council on Environmental Quality (CEQ).(*identify the other agencies participating: Forest Service, Corps of Engineers, Bureau of Land Management, and Fish and Wildlife Service)

As requested.

We just received a copy of the Forest Service's signed ROD. Jeannie Geselbracht is reviewing it.
